Distances indicated are approximate total distance, i.e. return trip.

Essential Equipment:

Your own snatch strap and two “D” or bow shackles (rated).
strong towing points on the front and rear of your vehicle.
extra food, water and warm clothing in case bad weather traps you unexpectedly.

Radios:

UHF Channel 10 is used by the club on trips. A UHF radio is not essential for new members, but advisable for your comfort and enjoyment of trips. The Club has a number of portable radios for use by members (new members are given priority).

If you need to borrow a radio for a Club trip contact the Trip Coordinator.

Trip Bookings

Unless otherwise indicated, booking should be made with the current **Trip Coordinator**.
Geoff Hill 6254 2493 Please note that booking does NOT automatically mean confirmation. You will be contacted prior to the trip to confirm your place. If you need to cancel, please advise the trip coordinator in the first instance **as soon as possible**.
Or the Trip Leader for that trip.

IMPORTANT:

Please note that persons participating in Club trips cannot hold the Club or any of its members, Trip Leaders, or office bearers responsible or liable for the safety or well-being of a member or any other participant on a trip, including children and/or family members.

FRIENDLY REMINDER:

Members are reminded that, for the enjoyment and comfort of other members and in observance of National Parks laws, dogs (or other pets) should not be take on Club trips unless otherwise advised.

- Mon2 -Sun22** **Flinders Ranges SA**
This trip into the South Australian outback is to visit Blinman for the 2007 Landrover Jamboree and then on for some serious exploring. We will go through the Flinders Ranges and the Gammon Ranges National Parks, Lake Frome and everywhere in between. I do plan to visit, if time permits, some of the wineries around Mt Remarkable. If people wish to come to South Australia for the Jamboree and then head back home, they are more than welcome to join us for part of the trip. Please contact Louise with any queries on (0408) 418003.
